TVA: I Love Clean Air

TENNESSEE VALLEY AUTHORITY

CEO Bill Johnson and Board of Directors
400 West Summit Hill Drive
Knoxville, TN 37902
Thank you for committing to retire dirty, polluting, coal-fired power units.

Please close more outdated coal plants to reduce air and water pollution and slow climate change.

Please replace coal plants with clean, reliable, solar and wind power and improved energy efficiency, not nuclear and gas-fired power.

It is important to provide a just transition for workers and communities impacted by coal plant closures.
