CONGRESSMAN ROKITA IS DOING NOTHING WHILE INDIANA’S WIND JOBS BLOW AWAY.

TELL HIM TO PROTECT GOOD WIND INDUSTRY JOBS AND WIND INVESTMENTS.
Dear Congressman Rokita,

Wind jobs and wind energy are critical to our nation’s future. Urge House leadership to renew important clean energy incentives like the Wind Production Tax Credit and the Investment Tax Credit. Please work with Speaker John Boehner and Chairman Dave Camp to make sure that good-paying American jobs don’t get blown way by Congressional inaction.
