“We will respond to the threat of climate change, knowing that the failure to do so would betray our children and future generations.”

— PRESIDENT BARACK OBAMA
INAUGURATION ADDRESS
JANUARY 21, 2013

Dear President Barack Obama,

Your legacy as 44th president of the United States rests firmly on your leadership on climate disruption. Only the president has the power to lead an effort on the scale and with the urgency we need to phase out fossil fuels and lead America, and the world, in a clean energy revolution.

WE SUPPORT YOUR DEMONSTRATING THE STRONGEST RESOLVE IN FIGHTING THE CLIMATE CRISIS ON EVERY FRONT.

Thank you,
