FAST-TRACKING THE TRANS-PACIFIC PARTNERSHIP WOULD BE DISASTROUS FOR OUR ENVIRONMENT.

The TPP would:

- Empower corporations to sue governments in secret tribunals over environmental policies;
- Require the U.S. Department of Energy to automatically approve fracked gas exports to TPP countries;
- Limit countries’ abilities to set energy efficiency labeling policies and renewable energy programs.

MAY 28 MARKS THE FOUNDING OF THE SIERRA CLUB.

WHAT WOULD JOHN MUIR SAY ABOUT FAST-TRACKING THE TPP?
