IF YOU CARE ABOUT:
• Clean Air
• Preserving Lake Erie & Drinkable Water
• Affordable Electricity Bills
• Your Children's Health & Future
• Eliminating Toxic Landfills in Our Community

We can repower our city while empowering our communities, but we need leaders like Mayor Jackson and City Council to support a 100% clean energy vision for our city. It will take all of us to realize a goal of a 100% healthy, sustainable, clean energy in Cleveland.

It’s time to get to work. Come join the conversation and help shape a healthier, more vibrant future for our city.

• Join one of four, two-hour weekly dialogue sessions to be held at a location near you
• Each session will be co-facilitated by trained volunteers with a commitment to engaging group participants to listen and share
• Dialogue – Action – Change

CHOOSE A DIALOGUE LOCATION:
