Emergency Medical Evacuation, Emergency Medical Repatriation And Return Of Mortal Remains Expense Benefit When You suffer loss of life for any reason or incur a Sickness or Injury during the course of Your Trip, the following benefits are payable, up to the Maximum Benefit Amount shown in the Schedule of Benefits.

1) Emergency Medical Evacuation: If the local attending Legally Qualified Physician and the authorized travel assistance company determine that transportation to a Hospital or medical facility is Medically Necessary to treat an unforeseen Sickness or Injury which is acute or life threatening and adequate Medical Treatment is not available in the immediate area, the Transportation Expense incurred will be paid for the Usual and Customary Charges for transportation to the closest Hospital or medical facility capable of providing that treatment.

2) Emergency Medical Repatriation: If the local attending Legally Qualified Physician and the authorized travel assistance company determine that it is Medically Necessary for You to return to Your primary place of residence because of an unforeseen Sickness or Injury which is acute or life-threatening, the Transportation Expense incurred within 30 days from the date of the Covered Loss, will be paid for Your return to Your primary place of residence or to a Hospital or medical facility closest to Your primary place of residence capable of providing continued treatment via one of the following methods of transportation, as approved, in writing, by the authorized travel assistance company: a) one-way Economy Transportation; b) commercial air upgrade (to Business or First Class), based on Your condition as recommended by the local attending Legally Qualified Physician and verified in writing and considered necessary by the authorized travel assistance company; or c) other covered land or air transportation including, but not limited to, commercial stretcher, medical escort, or the Usual and Customary Charges for air ambulance, provided such transportation has been pre-approved and arranged by the authorized travel assistance company. Transportation must be via the most direct and economical route.

3) Return of Mortal Remains: In the event of Your death during a Trip, the expense incurred within 30 days from the date of the Covered Loss will be paid for minimally necessary casket or air tray, preparation and transportation of Your remains to Your primary place of residence in the United States of America or to the place of burial.

Emergency Political Evacuation/Repatriation and Return of Deceased Remains

If Plan Participant requires emergency evacuation or return of deceased remains due to the following reasons, which places him/her in imminent bodily harm as determined by the travel assistance company security personnel, in accordance with local and U.S. authorities, the travel assistance company security shall arrange, and the company will pay for Plan Participant's transportation to the nearest safe location.

- i. Officials of the foreign country or the embassy of the country with which the Plan Participant is a national has issued for reasons other than medical, a recommendation that categories of persons which include the Plan Participant should leave the foreign country; and/or
- ii. Plan Participant is being expelled or declared persona non grata on the written authority of the recognized government of the foreign country; and/or
- iii. The Political and military events in the foreign country have created a situation in which the Plan Participant is in danger of imminent bodily harm to the extent that the Plan Participant must be removed from the foreign country; AND

The Plan Participant cannot obtain commercial transportation to the nearest safe location within a time period which will enable the Plan Participant to leave the foreign country in time to avert imminent bodily harm or to comply with the time allowed to leave the foreign country pursuant to the orders of the recognized government of that foreign country.

The Plan Participant must contact the travel assistance company to arrange transportation to the nearest safe location. The method of transportation will be as deemed most appropriate to ensure his/her safety. If evacuation becomes impractical due to hostile or dangerous conditions, the travel assistance company security will maintain contact with and advise Plan Participant until evacuation becomes viable or the political or social upheaval has resolved. The travel assistance company cannot be held responsible for failure to provide services or for delays caused by strikes or other conditions beyond its control including, but not limited to, flight conditions, or where rendering of services is prohibited by local laws or regulatory agencies.

No Benefit shall be payable if there is a U.S. Department of State Level 4 travel Advisory/Warning in effect within 30 days prior to the Plan Participant date of arrival in the host country.

Should commercial flights be available, but transportation to the airport will place the Plan Participant in imminent bodily harm, the travel assistance company security shall arrange and pay for his/her secure transport to the airport. Airfare change fees are the responsibility of the Plan Participant once he/she reaches an airport where normal commercial flight is available.

Natural Disaster Evacuation/Repatriation

If Plan Participant requires emergency evacuation or return of deceased remains due to a Natural Disaster, which makes his/her location uninhabitable, or, your location in the Host Country is deemed uninhabitable by the travel assistance company security personnel, the travel assistance company security will arrange and the Company will pay for evacuation from a safe departure point to the nearest safe location for the following reasons:

- i. Officials of the foreign country or the embassy of the country with which the Plan Participant is a national has issued for reasons due to the natural disaster situation, a recommendation that categories of persons which include the Plan Participant should leave the foreign country; AND

A Plan Participant cannot obtain commercial transportation to the nearest safe location within a time period which will enable the Plan Participant to leave the foreign country in time to avert imminent bodily harm or to comply with the time allowed to leave the foreign country pursuant to the orders of the recognized government of that foreign country.

The Plan Participant must contact the travel assistance company as soon as possible after his/her Host Country issues the official disaster declaration, as delays may make safe transportation impossible.

The method of transportation will be as deemed most appropriate to ensure the Plan Participant's safety. If evacuation becomes impractical due to hostile or dangerous conditions, the travel assistance company will maintain contact with and advise the Plan Participant until evacuation becomes viable or the natural disaster situation has been resolved.

Should commercial flights be available, but transportation to the airport will place the Plan Participant in imminent bodily harm, the travel assistance company shall arrange and pay for his/her secure transport to the airport. Airfare change fees are the responsibility of the Plan Participant once he/she reaches an airport where normal commercial flight is available. The Evacuation must occur within 14 days of any covered event. Benefits are only payable for arrangements made by the authorized travel assistance company. The travel assistance company shall arrange and the company will pay up to \$250 per day up to a maximum of five (5) days for reasonable expenses related to lodging if the Plan Participant is delayed at a safe haven. The travel assistance company shall also arrange and the company will pay for one-way economy airfare to return the Plan Participant to his/her Home Country following an Evacuation. Economy airfare and lodging costs shall not exceed a combined single limit of \$5,000.

No Benefit shall be payable if there is a U.S. Department of State Level 4 travel Advisory/Warning in effect within 30 days prior to the Plan Participant date of arrival in the host country.

Travel Assistant's Company must make all arrangements for the Plan Participant. Services rendered without the travel assistant company's coordination and approval is not covered. No claims for reimbursement will be accepted. If the Plan Participant is able to leave their host country by normal means, such as changing a commercial airline ticket, the travel assistant company will assist in rebooking flights or other transportation. Expenses for non-emergency transportation are the responsibility of the Plan Participant

Emergency Evacuation Exclusions: We do not cover:

- 1) loss or expense for a Non-Medical Emergency Evacuation covered reason which took place in an Excluded Country;
- 2) loss or expense recoverable under any other insurance or through an employer;
- 3) loss or expense arising from or attributable to:
 - (a) fraudulent or criminal acts committed or attempted by You;

Definitions

Accident means an unforeseeable event which:

- 1) Causes Injury to one or more Plan Participants; and
- 2) Occurs while coverage is in effect for the Plan Participant.

Covered Accident means an Accident that occurs by a Plan Participant and results in a Loss for which benefits are payable.

Covered Loss or Covered Losses means an accidental death, dismemberment, Sickness or other Injury covered under the Plan Document and indicated on the Schedule of Benefits.

Eligible Expenses means the Usual, Reasonable and Customary charges for services or supplies which are incurred by the Plan Participant for the Medically Necessary treatment of an Injury. Eligible Expenses must be incurred while the Plan Document is in force.

Home Country means the country where a Plan Participant has his or her true, fixed and permanent home and principal establishment and to which he or she has the intention of returning.

Injury means bodily harm resulting, directly and independently of disease or bodily infirmity, from an accident. All injuries to the same person sustained in one accident, including all related conditions and recurring symptoms of injuries will be considered on injury.

Medically Necessary means a treatment, drug, device, service, procedure or supply that is:

- 1) Required, necessary and appropriate for the diagnosis or treatment of an Sickness or Injury; and
- 2) Prescribed or ordered by a Physician or furnished by a Hospital; and
- 3) Performed in the least costly setting required by the condition; and
- 4) Consistent with the medical and surgical practices prevailing in the area for treatment of the condition at the time rendered.

Physician means a person who is a qualified practitioner of medicine. As such, He or She must be acting within the scope of his/her license under the laws in the state in which He or She practices and providing only those medical services which are within the scope of his/her license or certificate. It does not include a Plan Participant, a Plan Participant's Spouse, son, daughter, father, mother, brother or sister or other relative.

Pre-Existing Condition means an Injury, Sickness, disease, or other condition during the 60 day period immediately prior to the date the Plan Participant's coverage is effective for which the Plan Participant 1) received or received a recommendation for a test, examination, or medical treatment for a condition which first manifested itself, worsened or became acute or had symptoms which would have prompted a reasonable person to seek diagnosis, care or treatment; or 2) took or received a prescription for drugs or medicine.

Usual, Reasonable and Customary means the most common charge for similar professional services, drugs, procedures, devices, supplies or treatment within the area in which the charge is incurred. The most common charge means the lesser of:

- The actual amount charged by the provider;
- The negotiated rate; or
- The charge which would have been made by the provider (Physician, Hospital, etc) for a comparable service or supply made by other providers in the same Geographic Area, as reasonable determined by Us for the same service or supply.

"Geographic Area" means the three digit zip code in which the service, treatment, procedure, drugs or supplies are provided; a greater area if necessary to obtain a representative cross-section of charge for a like treatment, service, procedure, device drug or supply.

Usual, Reasonable and Customary Charges, Fees or Expenses as used in the Plan Document to describe expense will be considered to mean the percentile of the payment system in effect at Plan Document issue as shown on the Schedule of Benefits.

This insurance is not subject to, and does not provide certain insurance benefits required by the United States' Patient Protection and Affordable Care Act ("PPACA"). PPACA requires certain US citizens or US residents to obtain PPACA compliant health insurance, or "minimum essential coverage." PPACA also requires certain employers to offer PPACA compliant insurance coverage to their employees. Tax penalties may be imposed on U.S. residents or citizens who do not maintain minimum essential coverage, and on certain employers who do not offer PPACA compliant insurance coverage to their employees. In some cases, certain individuals may be deemed to have minimum essential coverage under PPACA even if their insurance coverage does not provide all of the benefits required by PPACA. You should consult your attorney or tax professional to determine whether this policy meets any obligations you may have under PPACA.
